

# Owners Pre-Delivery Yacht Equipment Inventory

**Yacht Name:**

**Owners name:**

Please indicate below, what equipment is present on the yacht (or will be at the time of delivery). We appreciate that it may not be possible to provide all of the information requested but please provide as much as you are able to. Not all of the equipment below will be required for every delivery passage, however any information provided will enable us to better prepare for the deliver. This is not a comprehensive list but may help us to identify and resolve potential issues that would otherwise cause delay and additional costs if discovered later. On embarkation, the nominated skipper will complete a thorough inspection of the vessels equipment prior to departure.
