

Delivery Information – Vessel and Owner details

Please provide contact details for the Owner or Agent authorised to act for the Owner on all matters relating to this delivery.

Owner or Agents details			
Name			
Address			
Telephone		Mobile number	
Email Address			

Please provide details for the yacht. We appreciate that some details may not be available until closer to the delivery date but the more information that can be provided early in the process, the smoother the delivery will proceed.

Access arrangements			
Delivery to		Berth number:	
Handover arrangements			

If available, please provide copies of the most recent survey available. Please note, that whilst the YachtMovers skipper will complete a full review of yacht and equipment before departing, they are not qualified surveyors and the review is not a survey. Whilst we will attempt to identify any obvious issues, the responsibility for the seaworthiness of the vessel remains with the owner.
